The c-word, 'cunt', is perhaps the most offensive word in the English language, and consequently it has never been researched in depth. Hugh Rawson's Dictionary Of Invective contains the most detailed study of what he calls "The most heavily tabooed of all English words" (1989), though his article is only five pages long.

This light, refreshing drink was created by London barkeep James Pimm in the 1840s with a recipe still secret to this day. A hundred years later in the 1940s, the owner of the Napoleon House in the French Quarter took Pimm’s No.1 creation (there were actually six variations of Pimm’s at one time) and gave it a New Orleans twist by adding ...
