Complete Drawing & Painting Courses. If you're ready to become great at art in the shortest time possible, then consider following one of our complete step-by-step courses.

How to Draw & Paint Whatever You Want

In addition to helping with composition planning, photography can be collaged into artworks or used as painting ground (but not as a mechanism for avoiding observational drawing - this is perceived by examiners as cheating). If the photograph remains visible in the final work, less paint needs to be applied, thus speeding up the art-making process.
